

# FRIENDS MAKE IT HAPPEN

## What is Washington Performing Arts?

As one of the most established and honored performing arts institutions in America, Washington Performing Arts is a nonprofit performing arts organization that has presented a tremendous range of artists and art forms while engaging with audiences, students, and civic life for more than half a century. **We champion the arts as a unifying force!**

In a typical year, we serve over 80,000 residents of all ages annually across the District and metro Virginia and Maryland through numerous performances in 10+ venues and hundreds of education events, and we continue to expand our presence on our digital platform.

### Who are our Friends?

Friends of Washington Performing Arts are patrons who make an annual donation to the Friends program to support our high-impact performances and education programs.

### Why join?

By joining the Friends program, you support the work we do in the community while receiving unique benefits that deepen your experience and connection to our wide-ranging artistic work that inspires and amazes us.

### Does it make a difference?

Your Friends donation helps us fuel our mission through vibrant artistic experiences and impactful arts education programs. While ticket sales to our performances contribute to our bottom line, Friends donations ensure everything we do is possible.

### How can I see my gift make a difference?

Every gift has a significant positive impact on the programs that we offer—hundreds each year. Each giving level offers a special opportunity to see your philanthropy in action and bring you closer to the art, whether on stage, online, or in the classroom.
